

FACTS**WHAT DOES ASSET ADVISORS
DO WITH YOUR PERSONAL INFORMATION?****Why?**

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number and income
- account balances and transaction history
- investment experience and account transactions

When you are *no longer* our customer, we continue to share your information as described in this notice.

How?

All financial companies need to share **customer's** personal information to run their everyday business. In the section below, we list the reasons financial companies can share their **customer's** personal information; the reasons **Asset Advisors** chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information	Does Asset Advisors share?	Can you limit this sharing?
